

“Words” Monday: Quiz 13. Que? that’s not even English!!

Over the centuries the English language has assimilated words and phrases from other languages, many of which remain in common usage today. For this week’s Quiz I will give you a clue that will lead to such a word or phrase, and to make it even simpler I’ve even given you the language it derives from.

*Good luck or should I say “**Bonne chance!**”*
