Quiz 17: Cars

Well I hope you all enjoyed the Dingbats last week but time to move onto another theme.

Remember all those weeks ago when the roads were quiet and everyone stayed at home – a time I really enjoyed as a cyclist as the roads were so quiet and safe. However as things slowly return to “normal” the roads are as busy as ever and as such I thought a Quiz on Cars would be appropriate for this week.

The first section is asking you to identify the logos or badges of some well- known makes of cars and this is then followed by cryptic clues to names or models of cars.

Anyway good luck with the following: as usual I'll give you the weekend to ponder on them and send out the answers on Tuesday.

1		2	
3		4	
5		6	

7		8	
9		10	
11		12	
13		14	

15		16	
----	---	----	--

And now can you work out the following clues to makes or models of cars?
