

Themed Thursday:

Quiz Five: Insects & Bugs.

Well our first Themed Quiz many weeks ago was a nature related one, being on Birds, and this time all the answers are to do with another natural theme, this time Creepy Crawlies. The answers to the questions below are all the names of Insects and Bugs, though some may be common names: there are a mixture of cryptic clues with the occasional anagram thrown in all of which will hopefully get those grey cells working! I'll send the answers out on Monday.
