

Revived by Chas & Dave. : Simplified for Ukulele by Peter White v2

## Kazoo Solo

D                  G                  D7

I know that someday you'll want me to want you

G                  G7                  C                  E7                  Am7

When I'm in love with somebody new

D7                                  G                                  Em

You expect me to be true and keep on loving you

A7                                  D7

Though I'm feeling blue you think I can't forget you

G                                  D7

Until someday you'll want me to want you

G                  G7                  C                  E7, Am

When I'm in love with somebody new

C                                  G                                  E7

And al - though you don't want me now      I'll get along some - how

A7                  D7                  G                  E7

And then I won't      want you

A7                  D7                  G                  G /////end

And then I won't      want you
